

Ludlow CAB Walks,

Programme No: 87, March - May 2019.

Come and explore the beautiful area around Ludlow.

Everyone will receive a friendly welcome. We usually start at 10.00 am, walk 5-6 miles taking between 2 1/2 to 3 hours, ending with an optional pub lunch. We arrange occasional shorter or longer walks, but this is made clear in the programme. Walks are cross country, and there are stiles to climb, so walking boots/shoes are needed. Whilst the leader has always checked the route in advance, you come at your own risk.
